

CAUSE OF DEATH CERTIFICATE WORKSHOP (QLD)

12 JULY 2024 - VICTORIA PARK, BRISBANE, QLD

Course Overview

Aim

This program increases doctors' understanding of Cause of Death Certificates in Queensland. It examines the legislation surrounding reporting cause of death, a guided tour of the Cause of Death Certificate, and interactive workshops. Participants can increase their confidence in completing Cause of Death Certificates and improve their understanding of when and how to report to the Coroner as well as situations when a Cause of Death Certificate should not be written.

Learning Outcomes

Participants will:

- Produce an accurate cause of death certificate that follows a logical progression or sequence of disease processes.
- Identify which deaths are to be reported to a coroner.
- Demonstrate how to report a death to a coroner.
- Determine when a cause of death certificate can be issued where natural causes is the probable cause of death.

Who should attend?

Health care professionals who work in Queensland. If you do not work in Queensland, please contact us prior to registering to attend.

Location/Venue

Victoria Park, 309 Herston Road, Herston QLD 4006- Quartz Room.
This course is being delivered face-to-face only.
